Sir:

HOLLY ANN COMANZO, ANANT ACHYUT SETLUR, ALOK MANI
SRIVASTAVA declare that:

We are originally named inventors in the invention disclosed and initially
claimed in the above-identified patent application.

The invention described and claimed in the above-identified patent
application was developed in part by Holly Ann Comanzo, Anant Achyut Setlur,
and Alok Mani Srivastava, and in part by Venkatesan Manivannan while in the
employ of General Electric Company. On or about June 14, 2002, after a review
of the disclosures and file of the above-identified patent application, the
contribution to the invention of Mr. Venkatesan Mannivan was brought to the
attention of Applicants' representative, Mr. Toan P. Vo, by Ms. Stephanie Ross of

Vo determined that Mr. Venkatesan Manivannan was inadvertently omitted, without deceptive intent, as being named as an inventor in this patent application. Immediate steps were diligently taken to correct this inadvertent error, which result in the filing of the attached papers.

We declare further that all statements made herein of our own knowledge are true and that statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
